

A white butterfly is symbolic of hope, transformation, and rebirth after death. They are thought to represent the soul of a child that has passed on. It is believed that they appear, until the person left behind comes to terms with the fact that their loved one has departed.

HOW THIS WORKS

- We utilize the contacts in our national database and *Voices of Hope* social network to match the hiring needs of employers with the skill sets of our job seekers. Then we connect and introduce the two parties.
- When a hiring placement is made, we receive a fee from the employer for making the introduction and helping them fill their open position.
- The fees collected from these job placements, along with the funding realized from our *Business Partnership Program* and national fundraising efforts, make it possible for us to provide all of our free services and fund our *Brave Little Soul Grant Program*.

Services/Programs for Couples

Brave Little Soul Grant Program - Provides hope and financial assistance to couples that have experienced a loss and/or obstacles to building their families. Couples that meet our eligibility criteria may be awarded a Grant on behalf of our *Brave Little Soul* of up to \$10,000.

Hiring Incentive Program - Empowers anyone over the age of 18 with an opportunity to regain control over the financial and/or life obstacles that are currently preventing them from pursuing and achieving their dreams. By using your contacts and networking skills, you can earn referral fees by referring us a new client and/or job seeker that results in a billable assignment.

Brave Little Souls Memorial Playground - A virtual location for you to remember and memorialize your lost angel baby.

Voices of Hope Social Network - A free, safe, informative, and supportive virtual support group. A place to connect and collaborate with other like-minded individuals and learn that you are not alone. Through this networking relationship you have an opportunity to reduce your feelings of isolation and find inspiration, hope and moral support. As a member you will have access to several multi-media applications to share your experiences, knowledge and resources. You also control your own privacy level.

Memorial Fundraiser - Anyone that becomes a member of our Social Network, will have the opportunity to conduct an online memorial fundraiser in their loved one's name on behalf of Hiring for Hope.
